Introduction

What you have learned and experienced during your stay at the University of New Haven could never be expressed to its capacity between these two covers. The memories you have created and the person you have developed into are all results of your experiences here at UNH.

We, the members of this year's yearbook staff, present to you the 1990 Chariot. The past four years could never be represented on these few pages but we hope this book can symbolize a portion of how you spent the last few years. In time, we hope you will look back on this book and reflect on the years gone by.

To the Class of 1990, we present to you, Chariot 1990.

Life At UNH

Homes

Home

At UNH, because of the small population, everyone tends to know everyone else, and whether they live on or off campus everyone parties together. Those who live on campus occupy four buildings which are Helen Anne , Olympic Heights, Parc VenDome, and the Residence Hall. Every weekend you could walk through PVD or OH and most likely find a registered party. These parties are closely observed by the RAs on duty to make sure everything stays in control. People come and go , and many just stop in and say "Hi." Many times there are on campus parties as well as off campus parties every weekend ,one on Friday the other on Saturday. These off campus parties take place....

TOP LEFT: PARC VANDOME TOP RIGHT: OLYMPIC HEIGHTS BOTTOM LEFT, HELEN ANNE BELOW: RESIDENCE HALL

at a variety of apartment buildings and houses around the West Haven area. Many students group together and rent houses or apartments together. The Milford Beach area is one of the common areas for students to move to. These students find it much more economical to move off campus rather than to live on. Everyone is always welcome at these parties, there is alway a very friendly atmosphere and everyone always feels comfortable. Weeknights are also a time for partying when one doesn't have a heavy work load. A few students will gather at different places then later on in the night they will all meet at one of New Haven's hot spots, known as THE NEW HAVEN NIGHT LIFE.

Measles, a highly contagious disease, characterized by a rash of bright red dots, was a big issue in both the spring and fall semesters in 1989. In the spring many Connecticut schools developed a measle epidemic, so of course UNH followed this trend.

When we all returned to UNH in September, one of the first things we heard was that we all had to get a measles shot in order to register for the spring semester of 1990. With the help of Health Services and nurse Phyllis Landry we now have a measles free UNH.

Orientation 89

Ellis C. Maxcy Hall

For two days, incoming freshman and transfer students had the entire campus to themselves... and their 31 Orientation Leaders.

The days were long, hectic and a lot of fun. From information workshops to a Horizons Hunt around the campus, we always had something to do. We appreciated the many pizzas donated by Domino's and the DSG sponsored barbeque on the Maxcy lawn equipped with plenty of food and the sounds of DJ Eric Anderson.

When the two days ended, we all collapsed from exhaustion and realized Fall Horizons 89 was a big success!

Pep Rally

Homecoming was held this year on [illegible] This day was filled with fun and excitement for everyone. The night before was when the Pep Rally was held. This included entertainment from the football team, the cheerleaders, and a band which performed all night. The King and Queen along with their royal court were presented to the students for the first time. A banner contest was also held on this night. The day of Homecoming, many students gathered at the Maxi Hall parking lot for the judging of the floats which were entered in the float contest. After the judging was over and the winners announced, a parade then assembled and worked its way on up to the North Campus, where there was a tailgating party going on. Everyone hung out and played games all day. Just about everyone also made their way down to the field to catch a glimpse of the football game where The Chargers successfully defeated Wooford College in a 62-25 victory.

"Sal"athon

The Salathon was a 12 hour fundraiser/carnival sponsored by the entire Athletic Department in regards to a fellow athlete, Tim Jackson. Tim, also known as Sal or TJ was in a very serious car accident on Feb. 5, 1990. This accident forced him to be hospitalized for more than two months. He had numerous operations on his left leg and suffered from many other injuries to his right leg and his right arm as well. Every athletic team participated in this event. They all pulled together, each setting up a booth or table with a particular event. The carnival of events ran from 2:30 pm-9:00 pm. A basketball free throw contest was also held all day long where students got people to sponsor them for every basket they made out of 100 throws. The carnival continued all night long with a dance party with Liam McKiernan as the DJ. Students stayed and danced all night long until 1:00 am. The event raised over 7,000 dollars. All funds raised will help defray his extensive medical/rehabilitation costs.

Many concerned friends often visited Sal while he was in the hospital.

FOOTBALL

The football team ended the season with an 8-2 record. A final game loss to Bloomsburg University prevented the Chargers from making the playoffs in 1989. Coach Mark Whipple had a very strong season highlighted by a very stubborn defense and a high powered offense. The defense was led by outside linebacker Tyrone Barnett who led the Chargers in tackles. Daryl Mack and Keith Stamp rounded out the Charger linebacking core. The defensive line was anchored by seniors Tom Collett and Keith Dudinski with big contributions by Leo Pinkston, Kurt Carney, Jason Pringle, Tim Jackson, Marvin Tomlin, and Todd Burks. The high powered Charger offense was led by the offensive line that consisted of center Dave Loane, guards Mike Cipro and Scott Emmert, tackles Brian Houston and Harry Boatswain, and tight end Jeff Emery. These people provided excellent time for ALL-NEW ENGLAND quarterback Jay McLucas to hit ALL-NEW ENGLAND receivers Dan Schwab and Pierre [illegible] running backs were led by senior Charlie [illegible] Keith McCoy. The UNH Soccer Team had a successful season. Top players for the season included Aboubacar Cissokho, Frank Omonte, and Ian Pollard. Cissokho scored a total of nine goals while Omonte and Pollard scored three goals. Chris Anigalo, Joe Oha and Frank Omonte all had four assists. Goalie Philippe Hilaire also had a successful season by making seventeen saves and ninety-one shots. The season ended with a total of six games successfully won. Winning victories included Westfield State, University of Lowell, Quinnipiac and Eastern Connecticut. These victories along with a very spirited team led to an exciting season.

Volleyball

The UNH Volleyball team had a great season. Members put their spirits and souls into practicing... and winning. Finishing with a record of 33-10, the team has nothing to complain about, and neither do the fans. Led by Lisa Reza (406%, 459 kills, 639 assists, 104 service aces, and 45 total blocks), and Queynie Vu (359%, 179 kills, 38 service aces, and 89 blocks), the team has never lost a conference match. For the conference, the record now stands 69-0. The Lady Chargers have won eight consecutive NECC Tournaments, and they, along with Coach Debbie Chin once again were in the NCAA Tournament, though losing in the first round. Congratulations to another winning season for the Lady Chargers.

Basketball

The UNH Chargers Basketball team got off to a great start with winning their first nine games of the season. It was a young team consisting of three freshmen and two juniors as starting players. They were, juniors Gary Battle and Mike Rakowski, and freshmen Jason Williams, Mike Grove and Walter Crawford. Leading the team in scoring was Brian Smith and Gary Battle who both reached a career goal of over 1,000 points. Smith averaged 21 points per game while Battle, an All-American Candidate, averaged 21.5 points per game. He netted an amazing 46 out of the 96 points scored against the University of Lowell. He has also been featured in U.S.A. Today and Sports Illustrated. Other contributing members of the Chargers were, senior, Marvin Fields, juniors, Erik Torkelson, Rob Sheard, and Jeff Daiker. Also, sophomores Kelvin Pittman and Joel Miller and freshmen Kobie Fowler and Ron Barone. With Coach Stu Grove, the Chargers ended with an impressive season record of 20-7. Post season play is sure to be just as impressive. Fans can be assured that with this young team, they can look forward to many exciting years ahead.

The 1989-90 season for the lady chargers was not as they expected. With a record of 8 wins/ 19 loses the players did not get discouraged. They kept their hopes up and did the best they could. Coach Russ Hill did not lose faith in his players, for they all showed progress in their playing ability throughout the entire season. The players, along with coach Hill, all look forward to a winning season in 1990-91.

Captain, Liz Brant was one of the top scorers of the season. Other players who did very well were; Senior Michelle LaFlamme, [illegible] Sperry, and Naomi Hollins. All in all the lady chargers did a great job as the UNH community sees it.

The baseball team had yet another winning season. With the fine talent and agresive play, coach Vieira has inatalled in his players, the chargers have become one of college baseballs most successful teams around.

Sophmore pitcher Mike Stober, had a great season. As well as pitcher Jeff Latoureau. Seniors Adrien Clark, Ron Perkins and others led the team in hits.

All players are very successful in their position as well as hitting. That's one thing about UNH. They have a strong offense and a strong defense. The Chargers won their league again this year and plan on keeping tradition and winning it again next year.

The Cross country Squad. Captained by Mark Rivers, overcame a challenging season. Led by freshman David Benton and junior Alsen Wenzel, the Chargers are both young and inexperienced.

As soon as the X-Country season ended the team went right into the indoor track season. Captain Keith Davis lead the Chargers in both outdoor and indoor.

The Charger Track and X-Country teams did very well this year and hope for another great season next year.

ABOVE: I hope he knows what he's doing
RIGHT: PSST, what's number 4.

After socializing is over,the students realize they must study. College is a time for education as well as meeting new friends. The academic standings at UNH are very great. Due to the small size of the university, many students get to know their professors on a one to one basis. This is very good in that the students don't feel intimidated by professors. When you look back and flip through this book all the memories will come back, but the education and all the learning experiences will have never left and continue to stay with you throughout your life.

I.S.A. Banquet

RIGHT: Turkey
LOWER RIGHT: Malaysta

The International Student Association of UNH, held its 10th annual International Banquet on April 20, 1990. This banquet focuses on the countries all around the world. Each country displayed traditional dress, exotic foods, and cultural uniqueness from their home country. A display is held before the banquet where this is all displayed. Different people show off their languages and writings. Every student brings a new perspective, but as different as their backgrounds may be they are people with common inspirations to learn, grow and share an experience they can carry with them forever.

Inter Fraternity Sorority Council

The Inter Fraternity-Sorority Council is the association that governs the Sororities and Fraternities which make up the Greek community of the University of New Haven.

The I.F.S.C. consists of two delegates from each Fraternity and Sorority plus the chairman and secretary/treasurer. They set the rules and act as an impartial arbitrator concerning disputes within the Greek organizations.

The I.F.S.C. sponsors various events such as the annual Greek All-Stars held on May Day weekend and the Inter-Greek social event held this year on March 9.

The main purpose of the I.F.S.C. is to unite the different Greek organizations together as one.

POWERHOUSE OF EXCELLENCE

The 1989 Fall Rush was held between September 18th through the 29th. Banners and posters bearing each Greek Organizations own letters were seen throughout the student center urging the campus to "Go Greek". Presently, there are three fraternities, Zeta Beta Tau, Delta Sigma Alpha, and Delta Chi, and three sororities, Phi Sigma, Omega Delta, and Chi Kappa Rho. Each all possess different qualities and exhibit different purposes to life at UNH.

Justice, Wisdom and Brotherhood are the guiding principles of Delta Sigma Alpha Fraternity. This local fraternity was founded on Sept. 7, 1986 and has since contributed much to the University of New Haven. DSA strives for academic axcellence and community service in the West Haven area. They are also involved in intra-mural athletics as well as enjoying an active social life. DSA is unique in that they are the only non-secret Fraternity on campus. Development of character, Promotion of Friendship, Advancement of Justice and Diffusion of Liberal Culture; DSA's founding principles have helped them to become a major part of student life here at U.N.H..

Phi Sigma sorority is a group of girls who exemplify spirit, dedication, and service to others outside the community. The sorority began in April 1986 and since then they have been known for their involvement in campus life. The 1989 school year has marked a change for the sorority. With the addition of several new members, Phi Sigma has participated with other greeks throughout the year. This sorority is one of the most active clubs on campus. They strive to better the community and the sisterhood within the sorority. Phi Sigma is an active part of the social life at U.N.H..

Zeta Beta Tau Fraternity, Gamma Beta Chapter, is an international social and service Fraternity. ZBT encourages a close family-type relationship among its members. Intellectual awareness, social responsibility, integrity and brotherly love are the ideals each of the members live by. All members enjoy the use of the ZBT fraternity house, which is less than one-half mile from the campus. ZBT is also enriched by its extensive alumni network wich adds another dimension to membership. ZBT has a tradition of over twenty years as a powerhouse of excellence at the University of New Haven and is committed to continuing this rich tradition.

Chi Kappa Rho Sorority was founded in 1963, by Virginia M. Parker. XKP provides services for the community, such as food drives, and clothing drives. The biggest XKP event of the year is the annual fall fashion show, which was started in 1965. XKP also gives an annual scholarship, in the name of their founder, to a woman at the University. Chi Kappa Rho believes in promoting a better understanding and closer friendships among women of the University.

Delta Chi is an international fraternity and was founded as a legal fraternity at Cornell University in 1890. Therefore 1990 marks a very special year for Delta Chi, because we will be celebrating our 100 year anniversary. Delta Chi was also the first fraternity to abolish hazing in 1929. The New Haven chapter is very proud because in 1990, we will be celebrating our 10th year anniversery as a chapter at UNH. This past year we have also welcomed two new faculty advisors, Al Celotto and Nick Bragnasko, who will be giving Dr. Sack and Dr. Bradshaw a hand. We also raised thousands of dollars this year along with about twenty new members. The chapter itself has a very tight bond and all the Brothers know why they are, "Proud to be a Delta Chi." The chapter itself is very versatile and accepts college men from all aspects of the University. So come all and get the feeling of 100 years of tradition.

Established in 1973, WNHU 88.7-fm has been providing alternative programming to Connecticut and Long Island listeners for 17 years. In the past two years "Connecticut's Alternative Source" has received the New Haven Advocate's Readers Poll Award for Best Non-Commercial Radio Station as well as the Associated Press' Outstanding College Sports Play-by-Play Award. Run by an entirely student executive board consisting of Doug LaGambina, Station Manager, John Perrone, Program Director, Cobby Still, Music Director, and Chuck Ballaro, Sports Director, and one faculty General Manager, Bruce Avery, WNHU is as great a learning experience as it is a radio station.

I found the position of Editor-in-Chief of The Charger Bulletin to be an excellent extension of my educational experience at UNH. I would highly recommend it or just working on the paper to any one interested in journalism. I would like to thank my entire crew for their hardwork. I would like to give special thanks to Pete Grella, who I tricked into becoming my Assistant Editor and whose humor and good cheer kept us going on many a night; Marlene Gawrych who was one of the few constants in the office; Denise Killoran whose upbeat personality was a great boost after the midnight hours; Lewis Pincus who brought in the money to keep us afloat; and of course Mary Hammerstein who was certainly more than just the layout Editor. Thanks for a great time, you were a great tribe.

Chariot

The Chariot is a collection of the entire year all wrapped up within 240 pages. The year seems to fly by so we put it all together for everyone to enjoy in the years to come.

Our goal was met. We met every deadline that was thrown at us. Sometimes we were even ahead of deadlines. Thanks to the people who were on the staff: Dickens Smith, my number one staff member always had pictures to contribute and whenever I needed an event to be covered, I would simply ask and he was right on it. Jenn Casper who came through with some of the write-ups. Lisa Paterno, whose dedication was super. She would help out with anything even if she did not quite understand, she was always willing to learn.

To all the yearbook groupies who hung out in the office every single day. Next year lets keep it alittle cleaner, PLEASE!!

I hope you all enjoy this book.

DOMINIC LAREW

On April 26, the Aviation Club held its dinner banquet at the German Club. Many aviation majors went to congratulate Nina Johnson who won the James Gesso Memorial Award. A cash award was also presented to her. Jim was an active member in the Aviation Club and after his death in January, this memorial award was started. Many members of Jim's family were also present at the banquet.

Brian Godburn says a few words about roommate and best friend, Jim Gesso.

Mantarays

NRBQ

This year, what was formally called "May Day" now [illegible] 'Spring Fest", was held on Friday, May 11, 1990. This event was held in the German Club parking lot. Everyone thought it would rain. For the past two years it had but this year was cloudy but no rain.

Spring Fest was a time for the entire UNH community to get together for a great time before finals start. This year there were four great bands: NRBQ, The Neybas, One People, and The Mantarays. All four bands put on a great show.

Most of the campus clubs set up booths in the lot for fundraisers or just to have a great time. Some booths were: A Dunk Tank, Cartoonist, Tatoo Artist, Spring Fest Mugs, Zeta Burgers, Delta Dogs, Soda Table and many more. All in all it was a great time.We must all congratulate Pete Grella (Social Director) on a job well done and organized.

TO THE GRADUATES

Please accept my warmest congratulations upon the completion of your degree at the University of New Haven. It is my hope that your educational experience at the University was rewarding and valuable and that these years will prove to be among the most formative years of your lives. I also hope that your education becomes the foundation upon which your careers and values are based. Your education should provide you with a critical cast of mind in the sense of a capacity to test and challenge previous assumptions and new ideas, a sensitivity to weigh ethical and moral issues, and enable you to obtain rewarding and productive employment in a complex and technological society.

To all the faculty and professors who took time out to have their picture taken for the yearbook, I thank you. To all of you who were too shy to sit in front of the camera for one second, maybe you won't be so shy next year.

Dedication

In Memory, The 1990 Chariot Staff Dedicates This Book To:

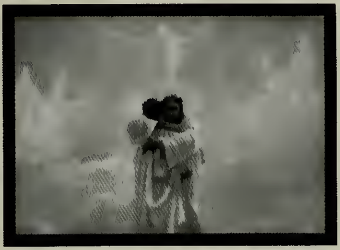
James Gesso

On January 2, 1990 a very special person was taken from us. James Gesso was that special person. **"To Know Him Was To Love Him"** is how Jim's family describes him. How right they are!

The unexpected death of Jim shocked and hurt us all. For those of us who knew him so well, we lost a great friend. For those who never got the chance to meet him, you suffered a loss as well. You never were able to know such a special person. Jimmy touched so many lives and losing him just doesn't seem fair. If you ever needed someone to talk to, make you laugh or to simply just be a friend, Jimmy fit those qualities. The reality of him not being there when we need him is just so hard to accept. Those of us who knew Jim are just grateful to have been a part of his life, for he was a great part of ours. The Chariot staff and all Jim's friends dedicate this book, his senior yearbook, to him. It is a small gesture that we can give to him for all he has given to us. Jim Gesso, you'll be greatly missed.

Ocean City, NJ was one of Jim's favorite places to go during the summer

Jimmy could always be seen having a good time with friends



TO KNOW HIM
WAS
TO LOVE HIM

WHEN I COME HOME TO HEAVEN

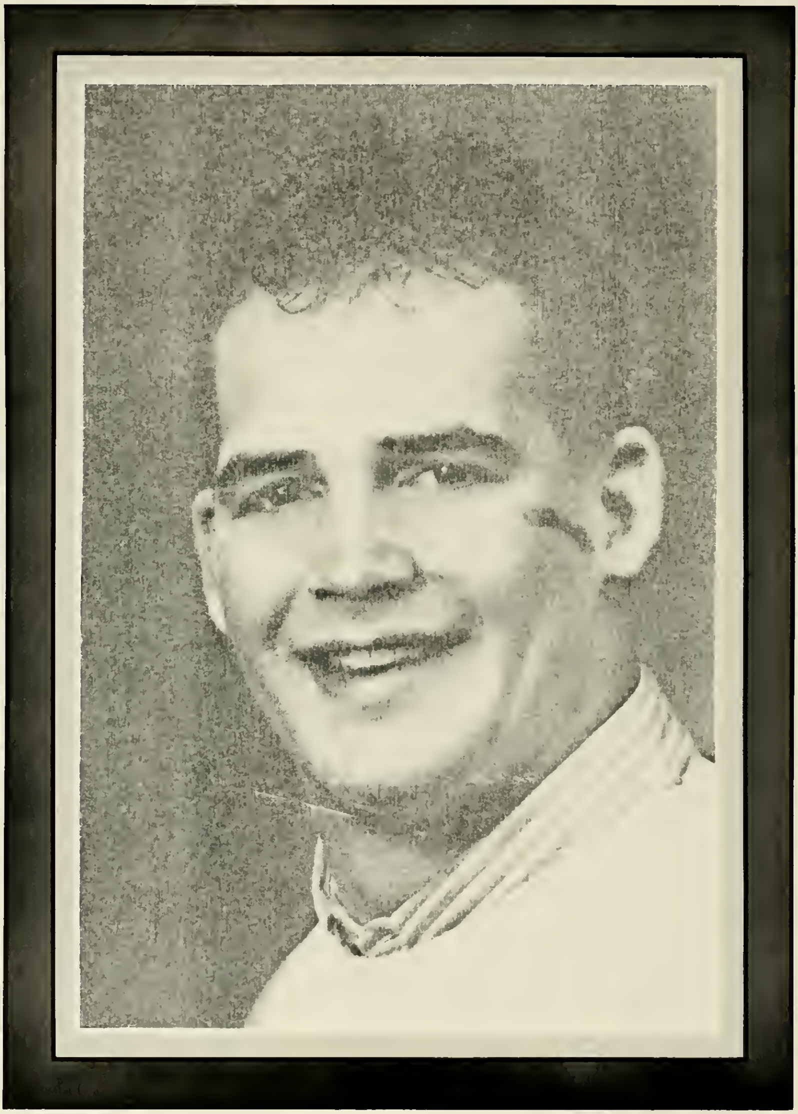
When I come home to heaven
How joyful it will be!
For on that day at last
My risen Lord I'll see

No greater happiness than
To see Him face to face,
To see the love in His eyes
And feel His warm embrace.

I've done nothing to deserve
That perfect home above.
It was given freely through
The grace of Jesus' love.

Then why should earthly cares
Weigh down upon me so?
They'll be a distant memory
When home at last I go.

In Loving Memory



Marc Brandon

Marc Brandon

Marc-

When you first came into my life, I had no idea how easy you would be to talk to and I never imagined that our early conversations would grow into such a strong relationship.

We had many good times that I will never forget. Along with the memories I also will never forget you. You touched my heart in places I never knew.

You showed me love, patience, understanding and so much more. Some times it hurts so much knowing that we are apart.

I will never forget the time when we first met!

All of us here at UNH will remember your strength and love for playing football.....

SPECIAL THANKS:

Bob Sasena: Thanks for all your support and ideas. You're a great person to work with. Looking forward to another great year.
Thornton Studios: The pictures were great. Job well done.

SINCERE THANKS TO:

Marie (from the Bookstore) you made my job a little easier.
Jack Jones - You always had sports information for me whenever I needed it.
Maintenance - For cleaning up the office. Most of the time it really needed it.
Claire Sorcinelli - You were always there to lend a hand and helped me out with any problems or questions. You really are a great person.
Kathy McQueeney - You helped me out with alot of things that I couldn't have done without you. You made this year more fun. We're all going to miss you next year.

MANY THANKS TO:

Lisa - For spending many long hours in the office when deadlines were approaching.
Scott - For always being around to help out when I needed it and even when I didn't.
Tracey - For making the past 3 years fun and exciting as well as interesting! Luv Ya.
Phi Sigma - For being patient and understanding when I chose The Yearbook over Phi Sig.
Herb Dike - For the Gravity. The office will never be the same.
Dickens Smith - For all the pictures
Mom & Dad - For supporting me in everything I do.

Many Thanks to everyone who helped out this year on the book, I greatly appreciated the help.

Editor's Note

Well I'm happy to say,"I'm finally finished". This book wasn't always a fun walk but was a long hike uphill. Though all the fustrations, I had a great time doing this. Pulling all nighters in the yearbook office was not always fun but the friends who hung out and kept me awake made it fun and were a big help.

I accepted this task as for something to do in my spare time. I can honestly say it was a big something to do. I spent alot of spare time and extra time on this and still managed to even fit in a few classes. Although sometimes I got really fed up with it and wanted to throw it all out the window, I stuck it out til' the end.

This book that what many of you will just flip through and put it down again was a great experience for me. Many people do not realize how much time and effort goes into the production of a yearbook. I didn't either until this year. I thought of it as a challenge and I guess thats probably why I am doing it again next year . . .
